AS ATTORNEYS OF RECORD FOR GROUNDWORK**

I, Sven Eaton Patrick Peek, in my capacity as the Director of groundWork, hereby confirm that Robyn Hugo, or any other attorney at the Centre for Environmental Rights ("CER"), is duly authorised to act as groundwork's attorneys of record.

I confirm further that, CER is authorised, and requested, to represent groundWork in the appeal to be instituted in the Water Tribunal against the decision to issue a water use licence to KiPower (Pty) Ltd for the proposed KiPower 600MW independent power producer coal-fired power station, and to take any other steps as are necessary in respect of KiPower's water use licence and other required environmental authorisations.

Yours faithfully
